MEMORANDUM FOR THE RECORD

SUBJECT : STR and STS Distribution

25X1A

1. [REDACTED] informed me that beginning with STS-1 distribution to DOD consumers will be made via DIA. In particular, a number of copies will be given to our Document Distribution Division along with the recommended distribution list. Document Distribution Division will then forward these copies to DIA for DOD distribution. It is anticipated that any request directly to the Agency from DOD agencies for additional copies will be referred to DIA.

2. I checked with [REDACTED] to determine whether or not there might be any objections by Dr. Wheelon. [REDACTED] indicated that DIA does have the charter to do this and this is an appropriate way to go. Dr. Wheelon does not object. Appropriate precautions regarding security should, of course, be observed.
